

Deep Tiltz

TecLeds' "Deep Tiltz" is an architecturally designed IP rated downlight perfect for all environments. With a minimal trim, a variety of beam angles and a sleek ultra-low glare baffle the "Deep Tiltz" truly is the Downlight to specify for all occasions.

White

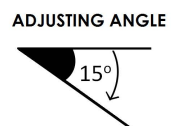

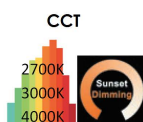

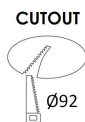

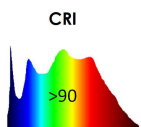

Black

Silver

TecLeds' "Deep Tiltz" is available in fixed single colour or with a sunset dimming option to allow for enhanced colouring and a warm environment. (Optional ART series with CRI 97 available)
